# DIRECTORY: **HOUSING AID**

COVID-19 has created challenges for everyone, especially for international students, who are in a highly vulnerable situation. Many of them had casual jobs and lost them, so now they cannot find a new one due to the current situation.

At Educonnecting, we have compiled some available housing aids offered by certain institutions in each state for international students:

We hope this information is valuable to you

### FIND A BED:

It's a community of volunteers that connects people in need, with those who are willing to help. If you don't have where to stay, they will be a great option for you.
